## COMPANY PROFILE

Our mission is to grow our company by providing innovative, strong and high performance products and solutions to meet our global customers' needs. We will support our world class products by providing superior customer care.

Our care extends to the environment and the community. We want to help to build a better future for our children, where hard work and dedication are given their just reward. Ambassador Sports are exporting to many countries world wide, our main market are whole Africa, Russia, Germany, Czech Republic Poland, Argentina, and Chile.

We also have our own brand name **WORLD SAFETY** which is very famous in West Africa. Ambassador Sports have develop a new kind of gloves which we consider them as cheap cost intensive to benefit our customer, the gloves have similar protective capability but they made in artificial leather in Amara, Microfabric, protective gel, lycra, Sarino, cordura, grippy pvc, iron ball protection and neroprene. All material are used as alternative of leather which never had fixed price for period of time.

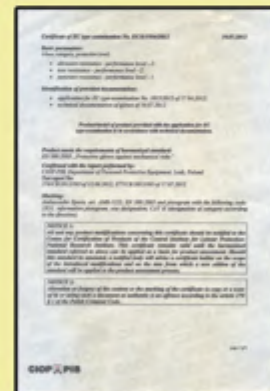

We always want good relationship with our customer for mutual benefits for both companies. We **welcome** our all clients to see us in foreign exhibition and most welcome to visit our factory in Pakistan with delight and respect.

SH. UMER SHARIF ( CEO )
